ORDER NO.

SUBJECT:

DOCKET NO. 2021-59-W - Petition of the Office of Regulatory Staff for an Order Requiring the Posting of an Updated Performance Bond - Georgia Water and Well Service, Incorporated - Staff Presents for Commission Consideration the Office of Regulatory Staff's Petition for an Order Requiring the Posting of an Updated Performance Bond for Georgia Water and Well Service, Incorporated.

COMMISSION ACTION:

Having reviewed the petition of the Office of Regulatory Staff (ORS) and a copy of the performance bond form executed by Georgia Water and Well Service, Inc. (Georgia Water and Well Service), I noticed some technical issues in the form itself that need to be modified or clarified which are unrelated to the Company such as typographical errors, spacing issues, and clarifications for witnesses and signatories. Specific to this bond, there is also a need to change the Principal Acknowledgement or Probate to reflect execution in the State of Georgia, County of Jackson, rather than the State of South Carolina, County of Oconee, since a Georgia Notary was used by Georgia Water and Well Service.

I move that the Commission revise the Bond Form by making these corrections or clarifications and provide the new Form to the Company and ORS for execution. The Commission shall provide Georgia Water and Well Service and ORS with the revised form for use by the Georgia Water and Well Service and other utilities.

I further move that the Commission request by order that Georgia Water and Well Service re-execute the performance bond in the amount of \$215,000 using the revised Form. Georgia Water and Well Service must re-execute the performance bond and deliver the original executed bond to the Commission within fourteen (14) calendar days from the date of the order and provide a copy of the bond to ORS.
